EDUCATION

Spring 2019: The Coding Bootcamp at UT Austin, TX
Full Stack Developer

2014-2018: Trinity University, San Antonio, TX
B.A (3.3 GPA) – Major: Art // Minor: Business Administration

EXPERIENCE

September 14 – Present – Trilogy Educational Services: Teaching Assistant

- Taught full stack web development skills in a fast-paced and high-level course
- Established an upbeat rapport with students in a stressful bootcamp during stressful times
- Mastered Zoom hosting and control
- Expertly covered student issues both 1:1 and in a group setting
- Actively reached out to students who were exhibiting signs of distress or disinterest in the course
- Dedicated hours of time outside of normal hours to optional study sessions

June 2020 - RootBuyer Remastered: Designer

- Recreated rootbuyer.com from scratch using React.js, bringing the 2015 site into 2020
- Cut loading times by 2000%
- Demonstrated initiative via volunteer work in the web development space
- Promoted personal brand by proposing a joint effort with the original site owner
- Delivered hand-painted logo for brand promotion

March 2020 – MemeLodge: Creator

- Directed and implemented 100% of production
- Planned and incorporated mockup designs into code
- Crafted unique logo for brand promotion

March 2020 – HunterWilkins.Herokuapp.com: Creator

- Expedited site updating by 100%
- Cut routing duration by 2000%
- Made art file structure and API calls 100% more efficient
